

# NÁVOD / INSTRUCTION

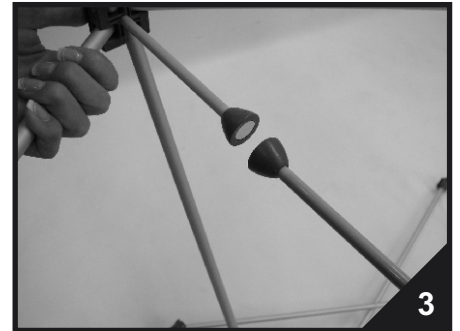

## Pop Up Expositional Wall Expodream

1. System construction.

2. Unfold the construction until it creates a wall.

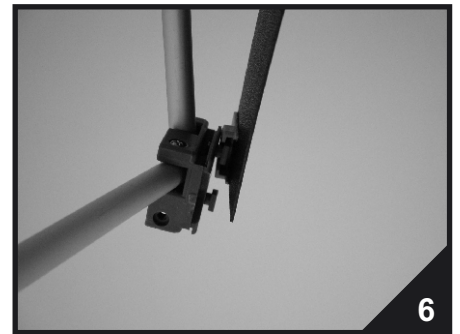

3. After unfolding secure the central securing hitches with magnets.

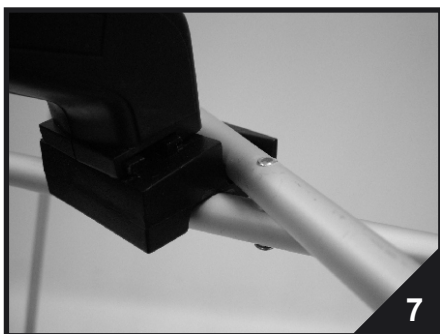

4. Attach magnetic sticks to the construction with the help of magnets.

5. Hang up the theme on the wall and with the help of magnetic stripes, affixed to the board, attach the board to magnetic sticks.

6. Preview of hanging bar attached to the board.

7. Attach lights on the wall.

**Roll up the stripes with artwork always with artwork on the outer side not inside!**

**If you don't follow instructions in this manual, we will not acknowledge any potential complaints.**
